

CS 337 – Spring 2014

Quiz 1

===== Time =====

Normal time allowed: 15 minutes

===== Instructions =====

You are to create the HTML for the web page as shown.

You are allowed to use an editor (any editor) and a browser (any browser).

You are NOT allowed to browse to any site other than the page you are working on.

You will NOT communicate with anyone inside or outside of class.

You may use notes.

Don't worry about using images; just write up the HTML correctly using img1.jpg and img2.jpg.

You can use your own laptop.

===== Turn in =====

Submit a single HTML document via Canvas under Quiz 1.

==== Web page to reproduce ====

Quiz 1 - Order Form x

localhost/justingiboney.com/cs337spring2014/quiz1/

.replaceWith() | jQuery...

Order Form

Picture	Product Name	Price	Quantity
	Product 1	\$149.99	<input type="text"/>
	Product 2	\$99.99	<input type="text"/>
